

## PRINCIPAL PHOTOGRAPHY WEEK #1 IN REVIEW JULY 2, 2024

The Lord blessed the efforts of over 100 cast and crew members as we captured wonderful and powerful footage for the film this past week. We were especially grateful to have **SAMMY FRYE**, one of the brothers whom the film is about, with us for 2 days on set and he was able to see all the efforts being made to see this incredible story of redemption being told for the screen.

The Academy of Arts' film company, Venture Films, is producing this project, but we have also hired in additional cast and crew from Texas, California, Georgia, Indiana, Virginia, North Carolina, and more to help make this film the best quality it can be. Our goal is to never sacrifice the message for professionalism or professionalism for the message.

### PRAISES

1. Sammy Frye able to visit the set!
2. Thomas McAfee Funeral Home donated a beautiful coffin and stand for a very important scene in the film!
3. Beautiful weather for our outdoor filming!
4. We were able to shoot approximately 15% of the entire script!

### PRAYER REQUESTS

1. Good health for cast and crew!
2. Good weather for outdoor filming!
3. Funding for rest of the film to come in! Currently, we still need \$357,000 to come in so at this point, we will be filming for another week and a half, and then continuing filming next year when the rest of the funding has come in.

Your prayers and giving are so appreciated as we have begun our second week of filming. Stay tuned for more exciting updates!
